ABOUT. ME.

hi. i'm **matthew** – a multidisciplinary creative, deeply aligned in my authenticity, and passion. a genuine appreciation for storytelling through creativity. my work infuses innovation, modernity, expertise, and my clients, at the center of all that i do, is, in fact, you. your beauty, confidence and trust in the talent is creative collaboration. whether i'm backstage creating audacious and bold makeup looks to the most elegant of bespoke bridal beauty. at times curating a closet and at home styling, to creative directing and avant-garde styling on photo shoots and music videos. my passion ranges from the girl next door to ateliers and couture.

based in brooklyn, i thrive at the crossroads of design, creativity, and a touch of chaos at times. i believe in bold and unapologetic risks, collaborative process, and creating work that leaves a lasting impression. most importantly, you, the client, feeling, empowered, confident and breathtakingly beautiful
